

CLASSIC PC

Start-up range of Electric Airless Paint Sprayers for Professional Painting Contractors

PROFESSIONAL ADVANTAGES

- Ideal for small to medium family housing and light commercial projects
- Graco 'Big' technologies in a compact size
- Finish every job, every day thanks to ProConnect[™] fast pump replacement system

CLASSIC PC

Best Value in small electric sprayers!

FINISH EVERY JOB, EVERY DAY

The next generation of **CLASSIC** sprayers have now been upgraded with ProConnect[™]. This fast and easy on-the-job pump replacement system, makes the most reliable small electric units even more valuable.

The **390 CLASSIC PC** with brush motor is a solid workhorse built for professionals just "starting out". It's the ideal sprayer for residential jobs.

Proven Endurance[™] pump technology on all **CLASSIC** models, makes it perfect for professionals who frequently spray a wide range of interior coatings.

The **CLASSIC**^S **395**/**495** are the best choice for professionals looking for superior performance, control and extra comfort for daily use on residential jobs.

The **CLASSIC**^S feature the FTX^m-E gun, variable speed motor and SmartControl^m 1.0, with electronic control for a consistent spray pattern at every pressure.

All Hi-Boy **CLASSIC** models are configured with a multi-functional cart version, offering pneumatic wheels, direct suction, a kick back, hose wrap and a convenient toolbox as a premium.

Comfortable Carrying Offset handle with rubber comfort grip balances sprayer away from leg

CLASSIC

Swivel Inlet Suction Hose

- All aluminium construction is durable, lightweight and rust proof
- No-tools removal of hose for cleaning or
- accessing inlet ball
- Easily swivels to reach paint buckets or cans

CLASSIC

Frame

- Stands upright so it won't tip paint can over

- Attached big cup holds the inlet during transport to catch drips

Variable Pressure Control (only CLASSIC 390 models)

Position indicator allows repeatable setting while spraying light-to heavier materials

Watch our application videos at: tp://www.contractorclub.com

Materials & Applications

The CLASSIC has been tested and approved to spray a wide range of lacquers, acrylic, primers, enamels, varnishes and acrylic interior paints, <u>out of the bucket</u>.

The ideal unit for interior renovation of small residential and light commercial projects.

CLASSIC^S

Easy-Out[™] Pump Filter

- Large filtering area reduces tip clogs
- and ensures a quality finish - Inside out filter design filters won't collapse and cleans with
- only a few liters - Vertical filter design removes

CLASS

195

simply with the cap, eliminates spill

SmartControl[™] 1.0 With variable speed control delivers consistent spray pressure.

Features PRD CONNECT

Semi-Pneumatic Wheels - Roll easily over rough terrain

GOOD TO KNOW

EXTEND YOUR REACH!

JetRoller™ The ideal renovation tool

Extend your sprayer with the JetRoller and minimize application time when combining rolling and spraying into one operation. Uses commonly available 18 or 25 cm roller covers.

Benefits:

- Reduces overspray
- Eliminates reaching
- Eliminates climbing and continually reaching up and down - Complete large jobs in half the time of traditional methods

Kit includes a lightweight detachable roller frame, 50 cm extension, CleanShot[™] Shut-Off[™] valve, Inline[™] gun, spray tip and guard.

Hopper

A convenient 5.7 liter hopper, compatible with all units

suction tube

TIP

With a spare pump ready, you'll always be able to finish your job!

- 1-minute job site replacement - Keeps you spraying instead of waiting for service - No pins or parts to lose!

Hi-Boy Exclusive Features

PRD

- Thick chrome over steel to withstand rugged environments
- Retractable handle doubles as a hose wrap for simple removal of coiled hose
- Comfortable inlet suction allows direct suction out of up to 30 liter buckets
- TiltBack[™] easily allows one man bucket change and on board toolbox

Features CONNECT

Exchange your pump easily YOURSELF in 3 steps in case any damage appears.

No more time wasted or money lost to labour charges on pump repairs.

Open door and remove pump
