

WALK-BEHIND TROWELS B424 | B430 EDGER

BARTELL
CONCRETE EQUIPMENT

The best balanced edger in the business.

The concrete professional's choice for over 40 years.

Bartell edging trowels are built for the industry's toughest customers. Designed and built to exact tolerances, we give you the best combination of weight and balance available. Field tested and proven dependable under the toughest conditions, you can count on your Bartell edger to last.

Choose from 24" or 30" models.

- Precision balanced for smooth, easy operation.
- Robust gear box with high tensile steel shafting for long life.
- Cast iron spider assembly and precision ground arms for tight tolerances and faster troweling.
- Folding handle for easy storage.
- Chrome plating for easy clean up.
- Includes pan and combination blades.
