

No Smoking Policy

Euroblast Middle East LLC (EBME) Management is committed to safeguard the health of employees by committing to implement no smoking policy and also to protect the property that might be damaged due to potential sparks generated by smoking.

Smoking is strictly prohibited at all times in the following areas where:

- Flammable or combustible liquid or vapors may exist.
- Chemicals are used.
- Flammable liquid or gases are stored.
- There is a potential to damage equipment.
- On trucks and other delivery units.
- Flammable products are being loaded, unloaded or handled in any manner.

Smoking is prohibited in customer premises and company operated depots except in areas authorized by the management subject to the instructions detailed in this policy. For EBME employees failure to comply with these directives will be grounds for immediate dismissal. For contractors or visitors failure to comply will result immediate removal from the site.
